

DECLARATION ON THE GMO STATUS OF KIWIFRUIT EXTRACT PRODUCTS

Kiwienzyme.com Limited hereby confirm that the kiwifruit extract products produced in its facilities contain no genetically modified organisms or ingredients manufactured by recombinant gene technology.

All kiwifruit raw materials are sourced from registered pack-houses that are compliant with the overseas market access requirements of importing countries. New Zealand law does not permit the commercial production of fruit that has been cultivated using any form of recombinant gene technology.

Ingredients of soy or maize origin used in the formulation of the products are specified as non-GMO with the suppliers and confirmed as Identity Preserved in the Certificate of Analysis.

Signed,

A handwritten signature in blue ink, appearing to be "P. T. S.", is written over the word "Signed,".
